

# DECLARATION

**Manufacturer:** Credo Invest P.S.A.  
ul. Sądowa 2/11  
20-027 Lublin  
Poland

**Products:** Steel

## Declaration

We declare that our company has completely abandoned any steel products of Russian origin since February 24, 2022 (even before the introduction of sanctions against Russia).

For many years, about 80% of the steel we use comes from Italy, 15% from Poland and 5% from other countries.

We would like to inform you that our company actively supports Ukraine and we are a huge opponent of Russian imperialism.
